MEMORANDUM FOR: Director, Imagery Analysis Service

SUBJECT : Watergate - Agency Review Conducted by the
Missile Systems Division, IAS

1. The Missile Systems Division can certify that each Division member has been contacted concerning reviewing his files to assure they contain no "Watergate" related materials and reporting any contacts with individuals known or suspected to be involved in "Watergate" (See Attachment A). There are no newly discovered items in our files nor any personal contacts involving division personnel during the period 20 January 1969 to 30 March 1974 to be reported.

2. One Division member has already forwarded a memorandum that might be of interest in this review (See Attachment B). This item probably has no Watergate connotations.

3. After conducting our Division review, we found no reason to contact any former employees.
